

Cortegra Appoints Leslie Love as the New National Sales Manager

FAIRFIELD, NJ -- Cortegra, a dedicated partner for pharmaceutical printing solutions, recently appointed Leslie Love as its National Sales Manager.

“Ms. Love has a 20-year record of demonstrated achievement in healthcare sales,” announced Cortegra’s General Manager, James Struhar. “We are happy to have Leslie on board at Cortegra and we are confident that she will lead our sales team to success.”

Leslie will be responsible for managing and implementing all sales and marketing functions for Cortegra, including supervising and directing its regional sales teams and growing Cortegra’s sales overall.

Most recently, Ms. Love was Director of Healthcare Sales for Oracle Packaging. Prior to Oracle, she was responsible for sales and marketing at Tolas Healthcare Packaging. Leslie also has a diverse background from earlier in her career as an administrative manager, an estimator and a production planner. She resides in a suburb outside of Philadelphia.

About Cortegra

A subsidiary of Menasha Corporation, Cortegra, headquartered in Fairfield, brings single-source excellence to pharmaceutical packaging materials. With more than six decades of printing experience solely for the pharmaceutical industry, the company remains one of the recognized leaders in providing packaging and labeling services for pharmaceutical and related industries. Its products include brand authentication technologies, labels, inserts and outserts, folding cartons, booklets and extended content labels. For more information, contact Cortegra by phone at 800-242-4657, by email at info@cortegra.com or by visiting www.cortegra.com.
