

## **Cortegra Introduces Mary Czarnopys As Midwest Sales Representative**

**FAIRFIELD, NJ** – Cortegra, a dedicated partner for healthcare packaging solutions, recently named Mary Czarnopys as their new Midwest Sales Representative. In this position Ms. Czarnopys will be responsible for maintaining current accounts and developing new accounts for the upper Midwest region to include Minnesota, Wisconsin, Michigan, Iowa, Nebraska, Illinois and northern Indiana. Mary will be focusing on potential clients in the medical device, pharmaceutical, biotech and diagnostic industries.

“We are pleased to announce that Mary Czarnopys has joined the Cortegra team as our new Midwest Sales Representative,” stated Cortegra National Sales Manager, Leslie Love. “Her skills and many years of experience will enable her to be an asset to our company and help Cortegra’s Midwest client base continue to grow.”

A resident of Neenah, Wisconsin, Mary Czarnopys has over 15 years of experience in the printing and packaging industry, most recently working as marketing manager for a medical and pharmaceutical flexible packaging provider. Ms. Czarnopys also worked for 4 years as a production manager at a pharmaceutical flexible packaging plant, giving her a full understanding of industry operations.

Mary has a very impressive list of credentials including an MBA from Bellarmine University in Louisville, Kentucky and a Master’s degree in Chemistry from the University of Michigan in Ann Arbor. She is also a member of The Institute of Packaging Professionals (IoPP).

A subsidiary of Menasha Corporation, Cortegra, headquartered in Fairfield, New Jersey, brings single-source excellence to healthcare packaging materials. With

more than six decades of pharmaceutical printing experience, the company has become one of the recognized leaders in providing packaging and labeling services to the pharmaceutical and related industries. Its products include brand authentication technologies, labels, inserts, outserts, folding cartons, flexible packaging and booklets.
